In celebration of the 150th Anniversary, the Clay County Fair Board is hosting a parade. This year's theme is "Honor Our Past, Building Our Future." Floats will be judged on creativity, use of theme, and enthusiasm! Parade numbers will be handed out at the line-up. We ask that you display your number on the driver's side of your entry and stay in numerical order. Thank you for supporting our 2024 Clay County Fair!
